STAFF

Mike Geragosian’s All American Clinics have been in existence for over 30 years. Our educated staff reflects our teaching philosophy and the international flavor that the All American Clinics are recognized for.

Mike is one of the country’s most experienced and technical goaltender coaches. Mike is an Assistant Coach at Endicott College and previously coached at Boston University, the NCAA 2009 National Champions. He also consults goaltenders and coaches at all levels throughout the nation.

After having served as Goalie Coach at Merrimack College, Assistant Coach at U Mass Lowell and Princeton University, he has moved up as a national consultant for professional, college and U.S.A.Hockey. He has also guest lectured nationally for U.S.A.Hockey summits. Mike holds a Masters Degree and has been an educator for 30 years.

An All-East goaltender himself, Mike continues to produce the finest collegiate goaltenders in the country. Several of his protégé’s have become All-American goaltenders and have played at the professional level for Calgary, Edmonton, Pittsburgh and NY Islanders. Mike’s hard work philosophy along with his personal teaching methods have help develop several goaltenders playing at all levels.

Mike instructs over 500 goaltenders annually. Currently, Mike is the assistant coach for Endicott college of the CCC. He has also been an asset to several college head coaches and professional scouts by recruiting goaltenders for their squads. Overall the ULowell “Hall of Famer” and ECAC record holder invites you to this camp to learn all aspects of goaltending and defensive techniques.
